

Public Notice
Jackson County
Application for a Household Hazardous Waste Facility Permit

The Kansas Department of Health and Environment (KDHE) has reviewed an application from Jackson County to operate a household hazardous waste (HHW) facility. The HHW facility is located at 700 E. 4th St, Holton, at the Jackson County Yard. This HHW will serve as a regional host for the Northeast Kansas HHW Region which includes Atchison, Brown, and Doniphan counties. The City of Holton has certified that the application described herein is consistent with local zoning requirements and Jackson County has certified that the application is consistent with their Solid Waste Management Plan. KDHE has reviewed the application and found it to be in conformance with the state solid waste statutes and regulations.

KDHE is today providing public notice of their intent to issue a permit to Jackson County for the proposed Northeast Regional Household Hazardous Waste Facility described herein. A copy of the administrative record including the permit application, drawings, draft permit, and other information regarding this permit action will be available for public review from Friday, September 26, 2008 through Monday, October 27, 2008 during normal business hours at the following locations:

Additionally, the application form is available for public viewing via the Internet at <www.kdhe.state.ks.us/waste>. Anyone wishing to comment on the facility application should submit written statements postmarked no later than Monday, October 27, 2008 to Joe Cronin of KDHE (at the address listed above). Comments will also be accepted via facsimile to 785-296-1592 or email to <jcronin@kdhe.state.ks.us>, provided the comments are received by 5:00 pm on Monday, October 27, 2008. Comments which are postmarked by October 27, 2008 and received within one week thereafter will also be considered. KDHE will subsequently respond to all formal comments in writing.

After consideration of all formal comments received during the public notice period, KDHE will make a final decision on whether to issue the new permit. Notice of the decision will be given to the applicant, anyone who submitted written comments during the comment period, and those who requested notice of the final permit decision.
